

## Comau recognized by General Motors as a 2018 Supplier Of the Year winner

*Detroit, June 11, 2019* - Comau was named a GM Supplier of the Year by General Motors during its 27<sup>th</sup> annual Supplier of the Year awards ceremony held Wednesday, May 15 in Detroit.

During the event, GM recognized 133 of its best suppliers from 15 countries that have consistently exceeded GM's expectations, created outstanding value or introduced innovations to the company.

This is the first time Comau has received the award.

*"We hold our suppliers to a high bar",* said Steve Kiefer, GM senior vice president, Global Purchasing and Supply Chain. *"They went above and beyond to deliver the innovations and quality that will help us earn customers for life".*

More than half of the suppliers are repeat winners from 2017.

The Supplier of the Year award winners were chosen by a global team of GM purchasing, engineering, quality, manufacturing and logistics executives. Winners were selected based on performance criteria in Product Purchasing, Global Purchasing and Manufacturing Services, Customer Care and Aftersales, and Logistics.

*"Comau is honored to be named as a Supplier of the Year by our respected customer General Motors. This award signifies our strength and expertise in industrial automation and reflects upon our mission to ensure our customers make valuable technical and operational improvements to achieve the best possible results. We're proud of our people and their commitment to excellence",* said Brendan Blennerhassett, Comau North America President & CEO.

## About Comau

Comau, a member of the FCA Group, is a worldwide leader in delivering advanced industrial automation products and systems. Its portfolio includes technology and systems for electric, hybrid and traditional vehicle manufacturing, industrial robots, collaborative and wearable robotics, autonomous logistics, dedicated machining centers and interconnected digital services and products able to transmit, elaborate and analyze machine and process data.

With over 45 years of experience and a strong presence within every major industrial country, Comau is helping manufacturers of all sizes in almost any industry experience higher quality, increased productivity, faster time-to-market and lower overall costs. The company's offering also extends to project management and consultancy, as well as maintenance and training for a wide range of industrial segments.

Headquartered in Turin, Italy, Comau has an international network of 32 locations, 14 manufacturing plants and 5 innovation centers that span 14 countries and employ more than 9,000 people. A global network of distributors and partners allows the company to respond quickly to the needs of customers, no matter where they are located throughout the world.

Through the training activities organized by its Academy, Comau is also committed to developing the technical and managerial knowledge necessary for companies to face the challenges and opportunities of Industry 4.0.
