

## Comau Wins “2020 Asia Euro Automobile Luqiao Plant Outstanding Contribution Supplier Award”

Taizhou, May 27<sup>th</sup>, 2020

Comau China has been rewarded with the “2020 Outstanding Contribution Supplier Award” by Asia Euro Automobile Manufacturing (Taizhou) Co., Ltd. (Volvo Cars Operations Management- Luqiao Plant). Since Volvo Cars built the first plant in China in 2013, Comau has cooperated with Volvo for many projects in Daqing, Chengdu, Zhangjiakou and the Luqiao plant.

Thanks to a close relationship and the constant communication flow with Volvo Cars Luqiao Plant, Comau has established project plans that guaranteed the health of all project members and completed the project on schedule, despite the outbreak. Comau started this body in white project in September 2019. Having now successfully completed the key milestones, the project will be deployed for the manufacturing of the new model of Volvo’s electric cars. Considering its excellent project management during the outbreak, Comau was rewarded with the “2020 Great Contribution Supplier Award” by Asia Euro Automobile Manufacturing (Taizhou) Co., Ltd,

Ding Yudong, BU Head of Body Assembly Comau China said, “Even with the outbreak’s consequences, as the long-term partner of global cooperation for Volvo, Comau has actively responded to the customer and helped Volvo recover manufacturing in safe conditions. The *2020 Outstanding Contribution Supplier Award* is Volvo’s recognition for the effort of our team and will certainly motivate the team to support Volvo even more in the future.”

## About Comau

Comau, a member of the FCA Group, is a worldwide leader in delivering advanced industrial automation products and systems. Its portfolio includes technology and systems for electric, hybrid and traditional vehicle manufacturing, industrial robots, collaborative and wearable robotics, autonomous logistics, dedicated machining centers and interconnected digital services and products able to transmit, elaborate and analyze machine and process data.
