# Shipping/Receiving – Comau COVID-19 Emergency Response Plan

---

## **Before entering Comau property**

1. Drivers must be able to answer “No” to each of the following questions
  1. Have you experienced symptoms such as fever/feverish, chills, sore throat, dry cough, difficulty breathing, or digestive symptoms such as diarrhea, vomiting, and abdominal pain in the past 14 days?
  2. International air travel or cruise in the past 14 days?
  3. Have you been in close contact with a person who has been confirmed or waiting on COVID-19 test results within the past 14 days?
  4. Have you been told to quarantine in the past 14 days regarding COVID-19?
2. All drivers may be subject to a temperature check upon entering Comau facility
3. All drivers delivering to a Comau location must wear face coverings in addition to previously required PPE of safety glasses, long pants, and hard sole close-toed shoes.
4. Drivers will not have access to restroom facilities while on Comau property

## **Receiving incoming process**

1. All drivers upon entering the Comau campus shall proceed to the designated receiving area or as otherwise instructed by a Comau Team Member
2. If not immediately directed by Comau personnel, a sign will be placed on each receiving door with a number to call for direction on where off-load will occur
3. If the delivery is on a trailer and needs to be un-strapped, the driver is to un-strap load (while maintaining 6 ft. distancing protocols) and then return to their truck while a hi-lo unloads the delivery
4. Small packages including FedEx and UPS deliveries are to be unloaded by the delivery driver and placed on pallets or carts outside of the receiving office/doors
5. Drivers should remain outside the facility unless necessary to process paperwork. If a driver needs to enter, they must stay in the marked area for paperwork processing only
6. Paperwork should be processed with care to eliminate person-to-person contact and maintain minimum 6 ft. distance

## **Shipping outgoing process**

1. All drivers upon entering the Comau campus shall proceed to the designated receiving area or as otherwise instructed by a Comau Team Member
2. If not immediately directed by Comau personnel, a sign will be placed on each receiving door with a number to call for direction on where loading will occur
3. If possible, the driver shall prepare their truck to be loaded outside of the building prior to entering Comau facility
4. Driver is to remain in his/her cab at all times during loading process and must only exit to inspect and secure load while maintaining social distancing guidelines (6 ft.)
5. Paperwork should be processed with care to eliminate person-to-person contact and maintain 6 ft. physical distance
